**MEMORANDUM FOR THE RECORD**

**SUBJECT:** USIA Request to Use the Names of IAC Subcommittees in an Unclassified Memorandum

1. Mr. Eugene Cragg called me with the subject request. He said that Loomis had asked Carroll and Carroll in turn asked Cragg to see whether or not such use could be made of certain IAC Subcommittees.

2. As a result of my questions, Cragg advised me that he knew nothing with respect to use of the memorandum of even Loomis's intention in writing the memorandum. Consequently, I advised Cragg that it would be impossible to give him any recommendation or suggestion, except a negative reply, in view of a complete lack of knowledge on how the intelligence subcommittees were to be described, and recommended against a similar approach to the secretaries of those subcommittees. (Cragg indicated Loomis was interested in discussing in an unclassified memorandum six or seven of the subcommittees.)
